Dear Congregation,

As the Pastor's family we also would like to wish you a contemplating time of Advent and Christmas. Although this time of year is a little hectic we always look forward to it and enjoy the many little things which make the month of December so special: the candles, the Advent calendar (which has over the last years become more common here, as well), the reading of stories, Bach's Christmas Oratory, coffee and cake, the get-togethers, the church services. Sometimes we pause in what we have to do to look back of the passing year and also to look forward with excitement and curiosity to the future asking ourselves, what it may bring. The year 2006 has not been an easy one. There were changes and many important decisions to be made. Our oldest son, Jan-Lukas, started with university and is going to stay in Canada; for the rest of us the move back to Germany certainly occupies our thoughts. We like to take

the opportunity to thank everyone for understanding our situation. We truly believe that God is taking things into his hands and will do what is right for the congregation. With many thanks for all you have done for us,

Yours truly,
Mirjam, Stefan, Jan-Lukas,
Merlin und Fynn Wolf
